## *Starve Hunger - Feed Hope*

In Butler County, nearly 9.4% of households receiving food assistance have at least one member who has served in the military. Military Share, a program of the Butler County Food Bank, is designed to provide nutritious foods for veterans and military families in need.

For the convenience and privacy of the individuals and families served, Military Share distributions take place at designated sites throughout Pennsylvania.

While the specific items distributed will vary based on the Food Bank's available inventory, each eligible, registered family will receive shelf-stable pantry staples.
